LR 413, 416

SENATOR VICKERS: Mr. President, I wonder if Senator Withem would respond to a question, please.

SPEAKER NICHOL: Senator Withem.

SENATOR VICKERS: Senator Withem, can I assume that maybe next year Sarpy County will want to change the number 59 on their license plates to 3, perhaps, since that might be rather high and...you know the reason I ask is because I have 60 on mine. I've always felt rather close to Sarpy County because of that. And I'd be a little disturbed if that was...(interruption)

SENATOR WITHEM: Senator Vickers, we always thought you were close to Sarpy County too, and we enjoy that relationship. I think we tried that a year or two ago, Senator Vickers, and we got the message, at least I got the message. Senator Fenger, Senator Beyer and I did have an amendment to deal with that license plate designation problem. And Senator Morehead explained to us that that was not a good idea.

SPEAKER NICHOL: Okay, the question is the adoption of the resolution. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays, Mr. President, on adoption of the resolution.

SPEAKER NICHOL: The resolution is adopted. LR 416, please.

CLERK: Mr. President, LR 416 is offered by Senator Marsh, found on page 2106 of the Journal.

SPEAKER NICHOL: Senator Marsh, please.

SENATOR MARSH: Good morning, Mr. Speaker and members of the Legislature. The resolution offered to us this morning is commenting on the very fine service which Professor Jack Snider has brought to the State of Nebraska, to the marching band, to music in general, as a long-time employee of the University of Nebraska. He has been instrumental in bringing new programs to high school youth. I urge the adoption of LR 416.

SPEAKER NICHOL: The question is the adoption of the resolution. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.
